****Important Notification****

There are a number of families with outstanding fundraising and service hours from the first semester of this school year. Also, there are families who are not current with their tuition account. Notices have been sent to these families by the school's Finance Office.

Please know that if these accounts are not current by March 1, your child may be asked to remain at home until the accounts are brought to a current status.

The fundraising and service hours are a major part of the monies needed to keep the school in operation. Please make every effort to bring these accounts to a current status.
